

 **IMMEDIATE CARE**

FREE VASCULAR SCREENINGS

EVERY WEDNESDAY | 9AM-12PM

**Do you suffer from chronic leg pain,
wounds or poor circulation?**

*Early detection and treatment of
vascular disease can significantly
reduce your risk for serious, sometimes
disabling or even fatal conditions like a
stroke or heart attack. Get tested now
to reduce your risks later.*

**Screenings performed onsite
by a certified doctor.**

Immediate Care Medical Walk-In of Lacey

Lacey Medical Arts Building 833 Lacey Road, Forked River, NJ
across from the municipal building
